Make sure you won't be infiltrated by FBI, SS and others. I would ask for their TDW username so you can study their comment history and for how long they have been active. I am almost certain about half of the people contacting you will be federal undercover agents.

Some will meet ahead of time and if the FBI wants to tag along let them. What does it matter, they can't stop us.

We are not afraid of them And that terrifies them

So you want to get pulled over by 20 FBI agents because you got ratted out and your are moving guns across state lines?

So 20 FBI guys are going to pull over a caravan of hundreds of trump supporters that are all armed, seriously. Most will be transporting their guns totally legally too.

We aren't afraid of the fed's and they are not gonna come raid us on our way there.

Look at Oregon, They smashed their way into a state Capitol and pepper sprayed police and in the end the police backed off.
